Classified docs on "Nano Domestic Quell" DoD kill-switch program released by Dr. Bill Weld

UPDATE 10/22/13:

Note that Dr. Weld has been contacted by a federal law enforcement agency and asked to remove the high resolution classified documents from his blog and other sources, or risk possible federal criminal charges. The documents have been removed at this point in time. Dr. Weld plans to fight for their future release through safer means that will not put his life at risk.

Please note the disinfo psy ops campaign to destroy Dr. Weld involves numerous lies created by CIA/NSA shill You Tube channels. Please do not believe them. Please do your own research! [...]

This is how the military will be respond to the economic collapse, and how they will put down armed uprisings, riots and domestic revolts[...]

As promised, these are some of the classified documents given to me by my good friend in the Department of Defense, a very highly ranked official I have known for many years. The program is called "Nano Domestic Quell".

As the documents clearly demonstrate, the U.S. government has embarked on a program to implement a secret "Armageddon nano device" that mimics a flu virus, to be activated on the public in the instance of domestic uprisings, riots and armed resistances. The nano devices are in, or "carried" by, an estimated 87% of the population at this point, with a projected 98% inflected by 2014.

Chances are, you already have this nano device inside of your body as you read this. Please understand: these nano devices are inert until activated by a radio signal or transmission. You are safe until a cell tower, drone or other method of transmission activates the device. (I do not personally know how this transmission works. The documents I've received do not go into any detail on that specifically. I do know drones and cell towers will be used, however. Once activated, the device will mimic the flu virus. You will be dead within 10 to 12 days. There is no known cure or way to prevent this. (I go into more detail on this in some of my videos, of which I recommend viewing all of them to fully understand and appreciate what is going on.)

The military can target very specific locations, particularly with drones (why do you think they want drones over U.S. skies so desperately?). They can target a room, a small house, an apartment complex, a city block, a town, or a whole metropolitan area.

By simply firing this signal, the nano devices in your body will be activated and you will die from what will appear to be a very severe case of the flu. The virus outbreak can scale from individual or group-targets, or to a large city-wide outbreak. This program was not created to kill everyone. Let me repeat: they are not trying to kill everyone. They created this program to deal with domestic uprisings during an economic collapse.

It is now ready and being implemented. When the collapse happens, they won't have enough troops to control the country or deal with the armed resistances. They needed another way of keeping control. By not having to fire a single shot to put down an armed uprising, they're essentially "killing two birds with one stone". A flu virus will appear to be a random "act of God" instead of perceived government aggression.

Why do you think they haven't banned guns? They don't need to with this system in place.

Please bear in mind that there is an active campaign underway to discredit me, attack me and bring me down. Please understand my children are sick and I believe their sickness -- a bizarre skin condition that is worsening for both of them -- is a result of my blowing the whistle. I believe they have been harmed intentionally. I believe they are trying to send me a message by messing with my children.

I need your help. I need your trust. I need you to help this spread. I have more documents, with even more frightening information, but at this point, my life is in danger. If no one is paying attention or listening, it does me nothing to continue with this, other than put my life and the lives of my family in certain danger, all for nothing.

If it doesn't spread or go viral in some manner, we are finished, because they will continue to destroy me, remove any trace of me from the internet (records from my some of my previous employers are already missing, among other things), they will destroy me and the public will never find out about this.

Please pray for us, pray for my wife, Helena, my son, Bill Jr., my daughters, Katherine and Grace. We need your help more than ever.

If you need to contact me, please feel free to email me personally: billhweld@yahoo.com

In Christ,

Dr. Bill H. Weld

P.S. I would like to thank my webmaster, Chris, for all of his help during this, and the time he's

taken to personally support me and my family. I couldn't do it without him.

Also, in connection with the above refer to prophetic warning of the missionary elder Elpidios Vagianakis in the below translation (from <http://prosistemhaha.wordpress.com/>):

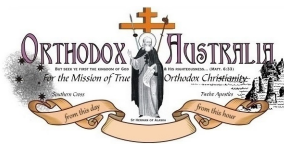

"The world should prepare to strengthen for what will come after. What will follow will be very difficult. A lot of violence will follow, from those who want to turn us into pawns. Control through food, air, water and even our thoughts and our feelings and our brain... and I say this because that is something that Satanists prepare for us the unimaginable, and yet these Satanists planned and know how to manipulate and control people's minds. How will they control us? And I am not referring at the control via television or the internet or your mobile phone ... (...) but what will come will be what Revelation says , people will be sealed with the chip . They won't be like these chips today, they don't not mean anything ... they are just a foreshadowing of the chip Antichrist will give to those who will accept it. They will not force anyone, but they know that we cannot survive without them.

What will this sign be like? This seal will be a satanic invention extremely complex, but on the other hand , very subtle , which will operate on two levels.

The first level will be similar to the antenna used for reception of television programs. The first time they will try to implant the antenna, surreptitiously, especially through so-called "vaccine" will try to implant nano-devices in the body, invisible to the naked eye and will play the role of a spy. This equipment will be able to read and interpret signals the human body. This will be a part of the seal. They cannot exist in us what Satanists will try to implant by deception, these nano-devices (Holy Communion will have such power that will destroy the power of what they want to implant.

The second level will be a very subtle chip which they will implant on hand or on forehead, a nano-chip (not the ones we know now) that will communicate with equipment that we already have in our body and which will function as a whole, like a computer and send information. This device will be able to interact closely with human genetic material, with the brain and nervous system so that nobody could remove him. Therefore, those who receive this mark will be the captives of Antichrist. And who will understand that something is wrong, will not be able to remove it. Who will try will die. Those who receive the mark will suffer more than the Christians.

But that will not happen now. Our generation will not live these days. The next generation will see this. But do not imagine that the Antichrist will be able to conquer the whole world. There will be so many souls revolting against the Antichrist. There will be wars, persecutions and more blood. But those will be the greatest saints of all times. Until now we thought the St. Demetrius, St. George, St. Catherine and said," Lord, I wish I lived in those holy times!" Now those who love God will have to face, with God's help, times of confession and the opportunity to win.

However , I emphasize , these people who want to confess their belief in God and not receive the seal, in order to win they must have total trust in God, to be entrusted completely to God like little children , and so great will be the power of grace over them that nothing will hurt them , and not at least what will strengthen them the most will be the Holy Communion. Those not receiving the Holy Communion, with faith and with love, understanding that they receive the body and blood of God - Man, they will suffer more.

Our strength in eschatological times, besides our faith in the true Son of God , Jesus Christ, will be Holy Communion. And our trust in God will make us one with Him and Holy Communion will give us the power to see what others cannot see. Holy Communion will have such power that will destroy the power of what they want to implant [i.e. nano-devices]. So please, I implore you to change your attitude to Holy Communion. **Holy Communion is not a reward for virtue, but is the source of life, is Jesus Christ himself who gives himself to those who desire and seek Him as Savior. Christ comes not to award fighting souls, but to strengthen the souls of the fighters.**

Together with Him and the Holy Spirit we shall win. It's wrong what they say those who say there will be people able fight [only themselves] to become good, humbled to receive the Holy Spirit. Who do you think maybe be able to wage this fight against evil without the help of our beloved Jesus Christ? With this help we pray God to give us the power that strengthened, we along with him, to fight with the devil. And when God sees that we pray with all our heart, then he gives us the Holy Spirit to strengthen us and we can fight. And when He sees us fighting with humble hearts, He will cover all with the gifts of the Holy Spirit and then our souls will be sanctified by divine blood through the Holy Spirit that we have received the sacrament. (...)

What will follow now will make those who believe in God to give glory and more as they live in such a wonderful way , will last wonderfully in their heart will be filled with tranquility, peace and love for God whilst others will live in panic and pain. But to have this peace in your hearts you must confess this: Lord , You are the God of my heart and with confidence I give Thee my soul; as I please, God, infuse us with Thy Divine Love so we can love You with all our heart . (...)

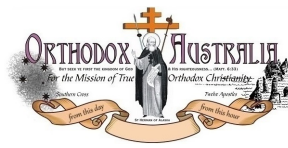

As long as we say this prayer, we will not suffer from the deeds prepared by Satan for his children. [...] Only those who have a family in Heaven will survive the times to come. Now we are living either the wonder of wonders or the deepest despair".
