<p style="text-align: center;">INFORMATION ABOUT COMPLETING AMENDMENTS ELECTRONICALLY</p>
--

Could all Management Officers please ensure that amendments for the July 2005 issue of the Diplomatic Service Overseas Reference List reach the Editor no later than **C.O.P Friday, 27th May 2005**. We will not be able to incorporate amendments in this edition if they are submitted after the cut off date.

In order to update post information electronically, please access the Word version of the list either on **FCONet** under the heading "About the FCO" then "Directories" or on the **FCO Website** under "Directory".

Copy and paste the relevant entry or entries from the current edition onto a new word document in your area and save. As and when you amend the entry please ensure that you use "**Track Changes**" by selecting **Tools** then **Track Changes → Highlight Changes** and then put a tick in the box that says **Track changes while editing**. This will allow the editor to spot every single amendment easily.

Once you have made all your amendments you can submit the entry to Lisa Gamandi via e-mail: lisa.gamandi@fco.gov.uk.

❖ **Please note that only the relevant electronic entry/entries should be sent and not the entire list.**

Before sending check that:

- (a) first names of officers are included, as we are trying to make the list more consistent;
- (b) all FTN codes are included;
- (c) all Airtech numbers are included;
- (d) national dialling codes are included in telephone & fax numbers;
- (e) all office hours are in GMT.

It is important that Management Officers notify the Editor of any confirmed new posts that will be opening within the next 6 month period. Although telephone/fax numbers & office hours may not be known for a while yet, please still include information about a new post (i.e. official name, address if known, roughly when the post will be opening etc).

Please note that all non-resident representatives should also check all entries in their remit.
